

# U.S. Army Corps of Engineers

## FORWARD

The purpose of this Handbook is to provide you, a civilian employee, with a brief discussion of a wide variety of information relating to your employment. Although the information is of a general nature and is by no means complete or detailed, it will help provide the answers to many questions about your work, and your employment conditions.

The information contained in this Handbook is current as of August 2001.

However, due to the rapid changes in regulations, benefit programs, etc., contact a subject matter expert in the Directorate of Human Resources, Civilian Personnel Advisory Center (CPAC) to obtain current information and for guidance on any matter covered in this Handbook or regarding any issue that has not been addressed.
